oh what a *feeling!*

The game has changed

# With 200kW, the

For over 4 decades the rules of the big 6 game have been the same. But this new player means that the game has just changed. Forever. Introducing the new Toyota Aurion. With an all-new set of rules about power with efficiency and performance with control. Now reliability, safety and the environment all matter.

Which means brute force at the expense of everything else is no longer acceptable. Precisely why the Aurion was engineered to be both the most powerful non-turbo Big Aussie 6 and the most fuel efficient<sup>#</sup>, and why the Aurion AT-X has been awarded Best Large Car by both Australia's Best Cars and Drive.

<sup>#</sup>ADR81/01 combined cycle. Actual fuel consumption may vary depending on driving style and conditions.

## TOYOTA GENUINE ACCESSORIES COME WITH OUR TOYOTA WARRANTY<sup>‡</sup>

<sup>‡</sup>All Toyota Genuine Accessories purchased and fitted to a Toyota are warranted for the remainder of the New Vehicle Warranty or 12 months, whichever is greater. Toyota Genuine Accessories purchased from an authorised Toyota Dealer over the counter are warranted from the date of purchase for one year (unlimited kilometres). Conditions apply. All warranties are additional to the implied warranties under the Trade Practices Act 1974.

<sup>^</sup>Current Satellite Navigation Systems cover major capital and primary national road networks as well as offering some coverage of regional areas.

<sup>†</sup>Bluetooth<sup>™</sup> will only operate with telephones enabled with compatible Bluetooth<sup>™</sup> wireless technology (HFP [Hands Free Profile] version 1.0 and OPP [Object Push Profile] version 1.1 international standards).

Some Toyota Genuine Accessories are not applicable to all Aurion models. See your Dealer for advice regarding Toyota Genuine Accessories. Pictured Accessories are all sold separately. For a comprehensive guide on the entire range of Toyota Genuine Accessories, visit our website at accessories.toyota.com.au

The new Aurion is confident, muscular and streamlined. It has the unmistakable homegrown feel, because it's the result of an Australian inspired design team working in collaboration with international design talents. The local team was headed by Nick Hogios, a former Wheels Magazine, 'Young Designer of the Year'. What they have helped create is a car with a look of confidence that will get noticed.
